

Adult Reading Program June 26 - August 13

Dig into a good book and water
your mind this summer!

Water your mind and see what blooms. Cultivate a new interest or nurture an old one reading fiction or non-fiction books. Just head to your nearest Newport Beach Public Library and sign up for the Adult Summer Reading Program!

1. Register at the Central Library, Balboa, Corona del Mar or Mariners Branch Library for the Summer Reading Program and pick up reading review forms.
2. Share your thoughts about what you've read. Write a brief review of the book or audiobook and turn it in at the library or submit it using an online form.
3. At the end of the program, Grand Prize winners will be drawn from the names entered after submitting two review forms.

Register online or at any Newport Beach Public Library location.

Reap the rewards
of reading and
reviewing books!

Read a book. Share your opinion of the book by filling out a "Water Your Mind" review form. Then turn in your form at any Newport Beach Public Library location.

There's a free book waiting for you!

After you've submitted five reviews, you'll receive a one time only prize of a free paperback book and your name will be entered into the Grand Prize drawing.
