

## Future and Apocalypse

**Adams, Douglas**                      **The Hitchhiker's Guide to The Galaxy**      **Teen Center Fiction**  
Chronicles the journeys, notions, and acquaintances of reluctant galactic traveler Arthur Dent

**Anderson, M.T.**                      **Feed**                                      **Teen Center Fiction**  
In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

**Bertagna, Julie**                      **Exodus**                                      **Teen Center Fiction**  
In the year 2100, Mara discovers the existence of sky cities that are safe from the storms and rising waters, and convinces her people to travel from their threatened island to one of these cities in order to save themselves. (*Sequel: Zenith*)

**Card, Orson Scott**                      **Ender's Game**                              **Science Fiction**  
An expert at simulated war games, Andrew "Ender" Wiggin believes that he is engaged in one more computer war game when, in truth, he is commanding the last Earth fleet against an alien race seeking Earth's complete destruction.

**Clarke, Arthur C.**                      **The Hammer of God**                      **Science Fiction**  
As an asteroid named "Kali" hurtles toward earth on a collision course that spells the end to life on the planet, a lone spaceship armed with a weapon to alter the asteroid's path attempts to carry out its perilous mission--unaware that others are simultaneously working for earth's destruction.

**Enthoven, Sam**                      **Tim, Defender of the Earth**                      **Teen Center Fiction**  
When two gargantuan, human-made monsters clash over the future of the human race and the planet, fourteen-year-old Anna Mallahide has a hard time convincing her classmate, Chris Pitman, that he must play a role in the outcome of their epic battle.

**Goldman, E.M.**                      **The Night Room**                              **Teen Center Fiction**  
When a group of students uses an experimental computer program that simulates their tenth high school reunion, they get an unsettling look at their possible futures.

**Kaye, Marilyn**                      **Here Today, Gone Tomorrow**                      **Teen Center Pbk**  
Emily's classmates lack faith in her ability to see the future and when her premonitions become more clear and certain, she has trouble convincing them to heed her warnings about a dangerous event that will soon take place.

**King, Stephen**                      **The Stand**                                      **Fiction**  
A rapidly mutating flu virus is accidentally released from a U.S. military facility and wipes out 99 percent of the world's population, thus setting the stage for an apocalyptic confrontation between Good and Evil.

**Levitin, Sonia**                      **The Cure**                                      **Teen Center Fiction**  
A sixteen-year-old boy living in 2407 collides with the past when he finds himself in Strasbourg in 1348 confronting the anti-Semitism that sweeps through Europe during the Black Plague.
